HOBBIES

Fitness, Research, Hiking, Reading Cycling, AI, Cooking, Story Writing Web3, Nfts After my graduation, I did Mechanical Engineering for I year. Here I worked on Hydraulic and Pneumatic systems. Then I turned to the software field. I developed myself in the fields of machine learning, deep learning and artificial intelligence. I worked as a process control officer for 6 months.

I am currently working as a machine operator at Wiegand-Glas. I also continue to develop myself in the field of web design.
